Dear Kym,

Thank you so much for your donation of a window to the woodcraft workshop at Maisie Kaufmann Learning Centre at Alice Street. It has made a huge difference to all staff, volunteers and students working in this workshop. It has provided much needed light and ventilation.

The woodcraft literacy classes are achieving remarkable results. Items being produced include laundry trolleys, tables, benches, pot plant stands and numerous small items. The trainers are very impressed by the work ethic and the dedication of all students and volunteers in these classes. Please feel free to visit our workshop at 533 Alice Street, Maryborough on a Monday, Wednesday or Friday. You will always be welcome.

Thank you for making a difference in the lives of people with a disability.

With warmest regards,

Sylvia Collins
